

MAY HALF-TERM HOLIDAY CODE CAMP ADVENTURE: CODING GOES OUTDOORS!

Gear up for an epic holiday filled with mind-blowing coding, awesome outdoor challenges, and next-level creativity! At our Code Camp, you'll:

- 🔥 Hack Minecraft & Make It Your Own – Bend the rules of the blocky universe!
- 🤖 AI Dance Coding – Program moves, bust grooves, and teach AI to dance like a pro!
- 🎮 Game Builders – Design, play, and level up your own games!
- 💡 Micro:Bit Outdoor Quests – Code gadgets to track treasure, crack puzzles, and explore the great outdoors!

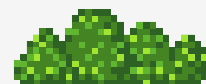

Whether you're crafting digital worlds or coding for adventure, it's time to think big, code smart, and play wild. Are you ready? 🚀

Digital skills which your child will learn:

- ⭐ Design game backgrounds
- ⭐ Design game sprites
- ⭐ Build 3D games
- ⭐ Program Micro:Bits to use in outdoor activities
- ⭐ Create your own AI dance model
- ⭐ Code Minecraft Hacks
